May 1, 2022

Dear Community Supporter,

Altrusa of Richardson is proud to announce our 2022 fundraising event honoring Hearts for Humanity. We are asking businesses and organizations to identify and nominate women who have exhibited behaviors and actions resulting in positive outcomes: women who contributed to the good of others in their home, city, or world.

Organizations assist us in raising the funds we need for our philanthropic work. Proceeds are systematically turned back to the community through scholarships to RISD seniors and grants to non-profit agencies serving Richardson and surrounding areas.

Your help is needed to sponsor this event at one of these levels: Platinum, Gold, Silver, or Bronze. We have attached our Sponsorship Commitment Form for your review. This sponsorship will provide visibility among local community leaders and demonstrate the high level of respect you have for the women in your organization.

- All forms may be completed on our website [www.altrusarichardson.com](http://www.altrusarichardson.com) and tax receipts will be emailed once all forms and payment are received.
- Our Foundation is a nonprofit, 501(c)(3) organization that supports many community projects.
- Altrusa will recognize your company through our publicity for this event as well as at the event itself.
- We have honored 480 outstanding women in the community for the past 17 years.
- Altrusa International of Richardson, Inc. is part of an international organization celebrating 57 years of community service.
- During the 2020-2021 pandemic period, our club members gave more than 10,000 volunteer hours of service to our community.
- Please join us in honoring Hearts for Humanity and thank you for your consideration.

Sincerely,

Brenda Duckett and Mary Boyter, Sponsorship Chair & Co-Chair
