Dear Community Supporter,

We are proud to announce our 2023 fundraising event to honor *Hearts of Service* in the Richardson community. We are asking businesses and organizations to identify and nominate women who have exhibited behavior and actions resulting in positive outcomes.

It is organizations such as yours that assist us in raising the money needed for our philanthropic work. Proceeds are systematically turned back to the community by awarding scholarships to RISD seniors, grants to non-profit agencies and outcomes from many Altrusa Service Projects.

We need your help and invite you to sponsor our event at one of these levels: Diamond, Platinum, Gold, Silver, or Bronze. We have attached our Sponsorship Commitment Form for your review.

- All forms may be completed on our website www.altrusarichardson.com and tax receipts will be emailed once all forms and payment received.
- Our Foundation is a nonprofit, 501(c)(3) organization that supports many community projects.
- Altrusa will recognize your company through our publicity for this event as well as at the event itself.
- We have honored 480 outstanding women in the community in the past 17 years of annual events.
- Your sponsorship will provide visibility among local community leaders and it will demonstrate the respect you have for the women in your own organization.
- Altrusa International of Richardson, Inc. is part of an international organization celebrating 57 years of community service.
- During 2022-2023, our club members gave more than 14,045 volunteer hours of service to our community.
- Please join us in honoring Hearts of Service and thank you for your consideration of a sponsorship commitment for our annual fundraising event.

Sincerely,

Brenda Duckett and Mary Boyter, Sponsorship Chair & Co-Chair
